Give your children a beautiful education and remember to **KISS**.

How to Use

IT'S SIMPLE! Do just 1 lesson per day from this book and enjoy 1 free day for built-in margin. Each family-together lesson takes about 60 minutes with grade-level reading assignments. You will notice, lessons follow a read, talk, write, recite pattern when possible. Take the tests when prompted, grade, and record in the student records. That's it!
